

# **LEAD TESTING**

**Schneider Laboratories, Inc., the leader in LEAD TESTING**

2512 West Cary Street

Richmond VA 23220

804-353-6778/800-785-5227

*Schneider Labs was the first laboratory in the nation to receive accreditation for the analysis of lead-based paint chips, soil and dust wipes through **AIHA's ELLAP Program**. SLi is also listed in the first Group of Laboratories in the United States to receive **NELAC Accreditation**.*

## **Ordering a LEAD TESTING Kit**

Contact Schneider Laboratories, Inc. 804-353-6778; 800-785-LABS (5227) between the hours of 8:00am and 5:30pm EST *to request a FREE Kit for submitting LEAD Testing Samples.*

If you have questions about the item(s) that you want tested, ask to speak with a Project Manager about the Lead Testing Program. The Project Manager will discuss your testing needs with you. The kit that is being sent to you is FREE, but there is an analytical fee for each test. The analytical fee is \$25.00 per item submitted. Each kit can accommodate from 1 to 5 tests with an additional (6<sup>th</sup>) test FREE if ordering 5 tests. Please note that items cannot be returned. If you determine that you would like to send in products for testing, the Project Manager will proceed as follows:

The Project Manager will obtain information in order to send you SLi's Lead Testing Kit:

1. Your Name
2. Shipping Address
3. Phone Number

**Your Lead Testing Kit is now being mailed to your shipping address.**
