AGREEMENT

The undersigned represents that he or she is an officer or agent of applicant and is duly authorized to act on its behalf. If extended credit pursuant to this Credit Agreement, the applicant hereby agrees to the following terms: Payment is due in full 30 days from the date of invoice. In the event that account is not paid in full by the due date, applicant will inform Schneider Laboratories Global, Inc. of the reason for nonpayment and will pay a late payment charge of 1.5% per month (18% annual) computed on the unpaid balance. The applicant agrees to be personally responsible to pay all cost and reasonable attorney's fees incurred in connection with collection of any past due balances on this account. Any Homestead or other exemptions are hereby waived to the extent allowed by law. Schneider Laboratories Global, Inc. is hereby authorized to investigate the references listed above concerning applicant's credit history and financial responsibility. This Credit Application and Agreement supersedes any prior agreement between the parties and may not only be modified in writing.

Sample Acceptance Policy

BASIC REQUIREMENTS

- Samples must be submitted with a SLGi Submittal form or equivalent, with full instructions including tests requested and turn-around-time desired.
- It is the client's responsibility to communicate specific methods or detection limits required.
- Samples must be appropriately sealed to prevent leakage or cross-contamination.
- Samples must be clearly labeled.
- Samples should be collected on the appropriate media for the test and/or submitted in the appropriate vessel type. (See Sampling Guide for information per test.)
- Samples should be shipped in a manner to preserve the sample's safety, quality, and integrity.
- It is the client's responsibility to ship the samples to the lab at the appropriate temperature for sample preservation.
- Sample temperature will be monitored upon receipt for temperature-sensitive samples. The receipt temperature for organics environmental samples is displayed on the final report. Clients may be notified of the receipt temperature upon request.

LABORATORY RESPONSE TO UNSUITABLE SAMPLES

- When testing requests, sample labeling, or other associated information is unclear, the laboratory will contact the client for clarification.
- The laboratory retains the right to reject, or request re-collection and re-submission of, any sample believed to be unsuitable for testing.
- The laboratory will provide report comments regarding any samples with questionable suitability.

LABORATORY RESPONSIBILITY & SAMPLER'S / CLIENT'S RESPONSIBILITY

- The laboratory does not provide sampling services for its clients.
- All samples are tested as received, and all laboratory analysis results relate only to the portion tested.
- It is the sampler's responsibility to provide a sample that is representative of the material being investigated.

IT IS THE CLIENT'S RESPONSIBILITY TO VERIFY THAT THE LABORATORY HOLDS THE CERTIFICATIONS OR APPROVALS REQUIRED BY THE DATA USER PRIOR TO THE SUBMISSION OF SAMPLES.
