Subject: **EXTENSION OF WATER QUALITY LABORATORY CERTIFICATION**
SCHNEIDER LABORATORIES GLOBAL INC 355

Dear Ms. Faszewski:

Your laboratory was originally due to be re-certified for Microbiology and /or Chemistry by December 31, 2018. Our program has received your application and payment. However, we were able to meet the scheduled deadline.

The Maryland laboratory certification program will extend the laboratory's previous certificate until January 31, 2019 while the new certificate is being processed.

If you have any questions, please contact me at linda.ames@maryland.gov or 410-537-3712.

Thank you for your patience.

Sincerely,

A handwritten signature in blue ink that reads "Linda Ames".
