The Kansas Department of Health and Environment encourages all clients and data users to verify the most current scope of accreditation for certification number E-10348

The analytes tested and the corresponding matrix and method which a laboratory is authorized to perform at any given time will be those indicated in the most recently issued scope of accreditation. The most recent scope of accreditation supersedes all previously issued scopes of accreditation. It is the certified laboratory's responsibility to review this document for any discrepancies. This scope of accreditation will be recalled in the event that your laboratory's certification is revoked.

Accreditation Start: 8/1/2023 Accreditation End: 7/31/2024
