Fayez Abouzaki
Schneider Laboratories Global, Inc.
2512 W. Cary Street
Richmond, VA 23220

Dear Mr. Abouzaki:

This is to confirm that the Schneider Laboratories Global, Inc., is accredited by a National Voluntary Laboratory Accreditation Program (NVLAP) administered by the National Institute of Standards and Technology, and has been approved by the Arizona Department of Health pursuant to A.R.S.§§36-495.02 (5) to perform airborne and Bulk Asbestos Fiber Analysis compliance testing.

The Arizona Department of Health Services, Office of Laboratory Licensure and Certification, has determined that the laboratory's ADHS certified date will coincide with the dates on the laboratory's NVLAP certificate.

AZ0928 is the number which you will need to use when reporting compliance results to ADEQ or USEPA. Your approval from Arizona Licensure Program must be renewed annually by application.

If you have any questions, please do not hesitate to contact me at the number below or envapp@azdhs.gov.

Sincerely,

Ali Mayfield
Administrative Assistant
Office of Laboratory Licensure and Certification
